

ANNUAL STUDENT ENRICHMENT CONTRIBUTION (SEC) DUE BY NOVEMBER 1, 2026

STUDENT'S NAME & GRADE: _____

PARENT'S NAME: _____

- The Theatre Department kindly requests each theatre family contribute a tax deductible art fee of at least \$150 per student annually to the SEC Fund.*
- Your contribution goes directly to the Theatre Department to help offset the costs of productions, master classes, guest artists, classroom supplies (paint, make-up, fabric, etc.) and field trips.
- As you may know, theatre expenses can be very costly. Contributing to this fund is similar to and probably less than paying for a student to participate on a sports team or in an extracurricular show.
- Your contribution also allows the department to make quick, incidental purchases when unexpected, last minute needs may arise before show openings.

**We understand some families may not be able to pay the entire amount. If you need to reduce or divide your \$150 contribution into two payments before the deadline, please select "Other" when paying online or include a note with your payment if mailing a check.*

**All contributions of \$150 or more submitted before September 11, 2026
will be recognized in the annual Theatre Program.**
